

FREQUENTLY ASKED QUESTIONS

for tutors

Nerdy Academy

WHAT IS *Nerdy Academy?*

Nerdy Academy is a Home Tuition service provider. We give tutors a platform to utilize their teaching skills by allotting them students to teach.

WHAT DOES A TUTOR *have to do at Nerdy?*

A tutor is allotted students in only those zones which are close to their residence. However a tutor also has the choice to opt for their own zones, where they can reach for teaching.

IS IT A FULL-TIME *or a part-time job?*

- It can be both, full time or part time, depending upon the number of hours a tutor can devote in a week for teaching.
- The minimum number of hours that a tutor has to devote for teaching is 14hours/week which averages out to 2hours/day .

WHEN IS A TUTOR *paid and how ?*

- A tutor is paid ten days after the period of one month of teaching.
- They are allotted a fixed salary date for the same.
- The payment is done online or in cash.

WHAT IS THE PAY SCALE

of every tutor?

- Nerdy has a per hour open pay model, which means that every tutor has a pay for per hour. However, the pay scale is variable.
- The pay completely depends on what classes a tutor is taking and how many hours he/she is devoting in totality
- There is an amount of 10% of the calculated salary which is deducted every month as a caution amount .

WHAT IS THE TENURE FOR *every tutor at Nerdy?*

- Any tutor who is selected has to be with the company for a minimum of 6-7 months. However, if they want to continue for longer, we renew their tenure.
- The perks of finishing the tenure at Nerdy is that they get certified post their completion of tenure.

WHAT IF A TUTOR DOESN'T *finish his/her tenure at Nerdy?*

- Any tutor who fails to finish their tenure at Nerdy will not receive the certification from the organization.
- The tutors will not receive their caution amount or any outstanding pay from the organisation.

WHAT KIND OF CERTIFICATION *does Nerdy provide?*

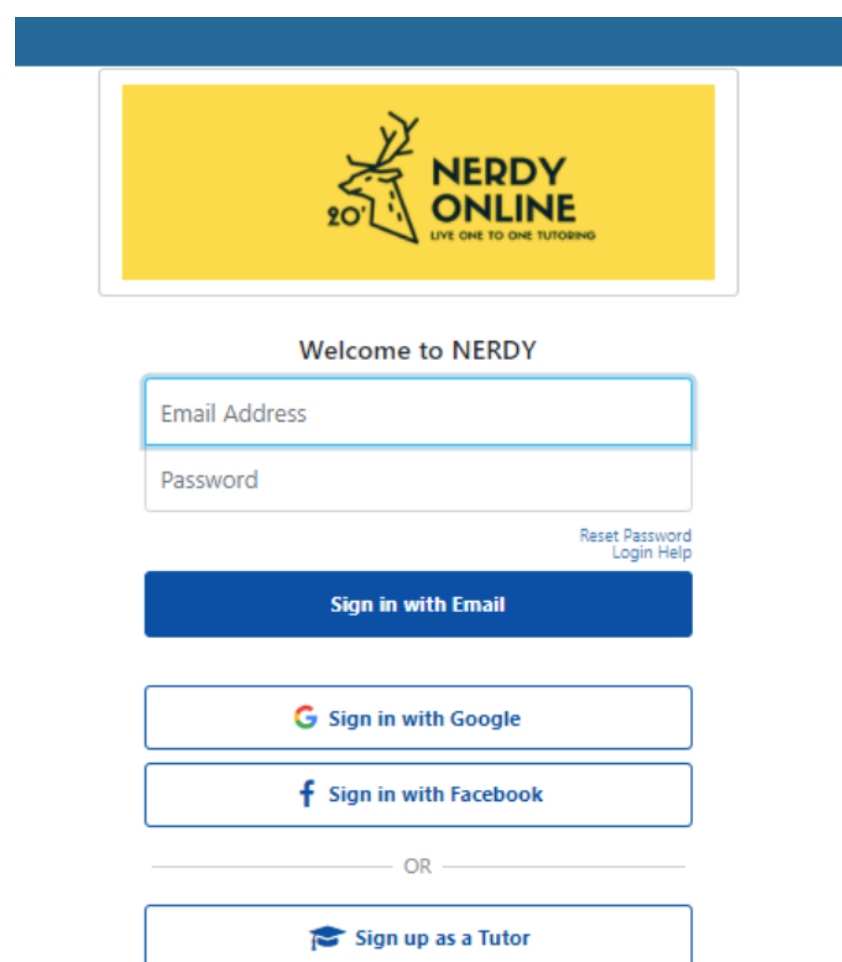

Nerdy is a government recognised organization and the company is also affiliated with UNESCO, Global Entrepreneurs Program and Start up India. Thus, the certificates that are provided have a mention of all these affiliations in them.

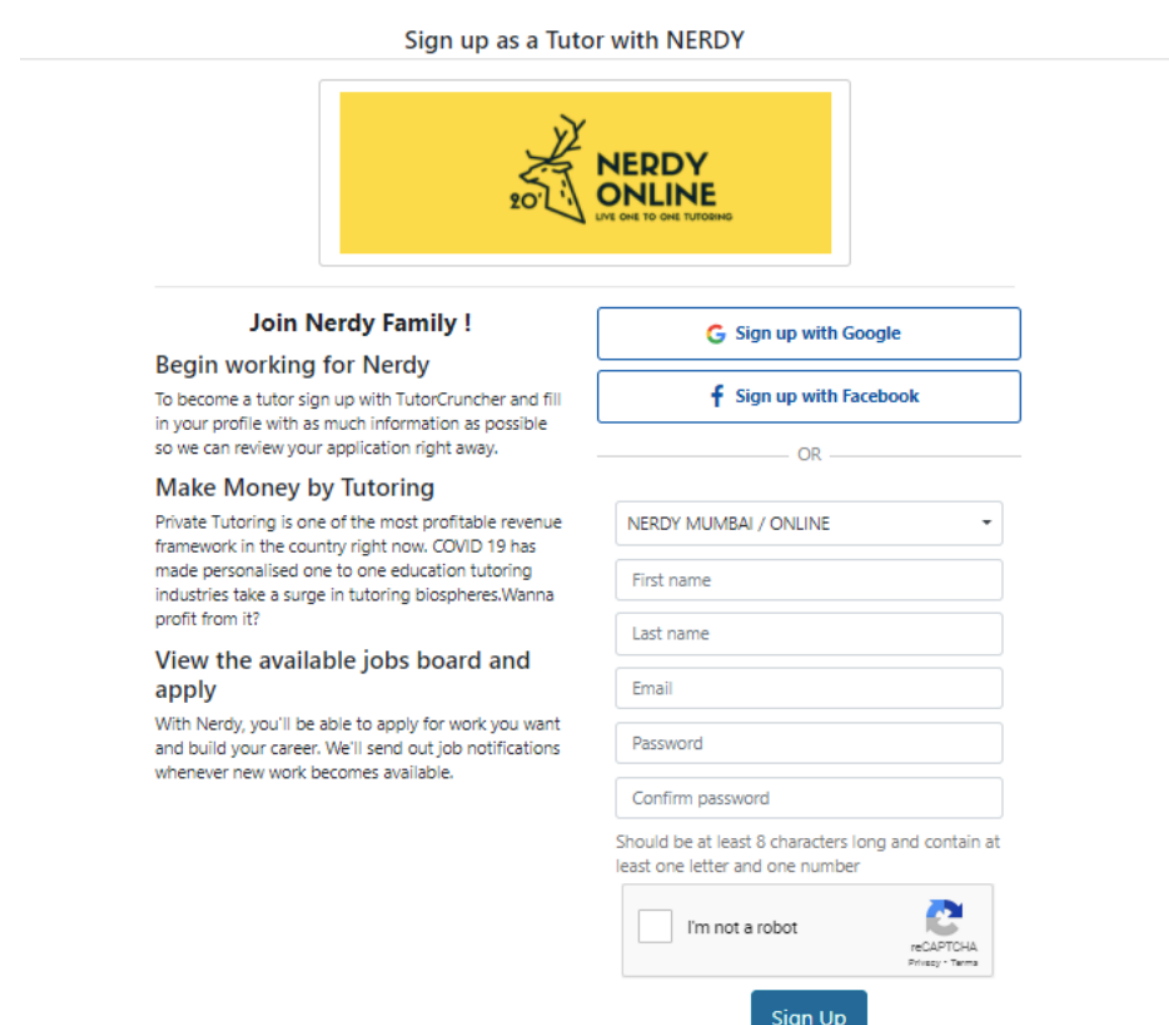

HOW DO I JOIN *Nerdy Academy?*

Anyone who is interested in teaching will have to follow the following steps :

- Open our website and sign up as a tutor.

- Select the location
(Bhilai/Raipur/Bhopal/Indore/Mumbai) depending on where you belong to.

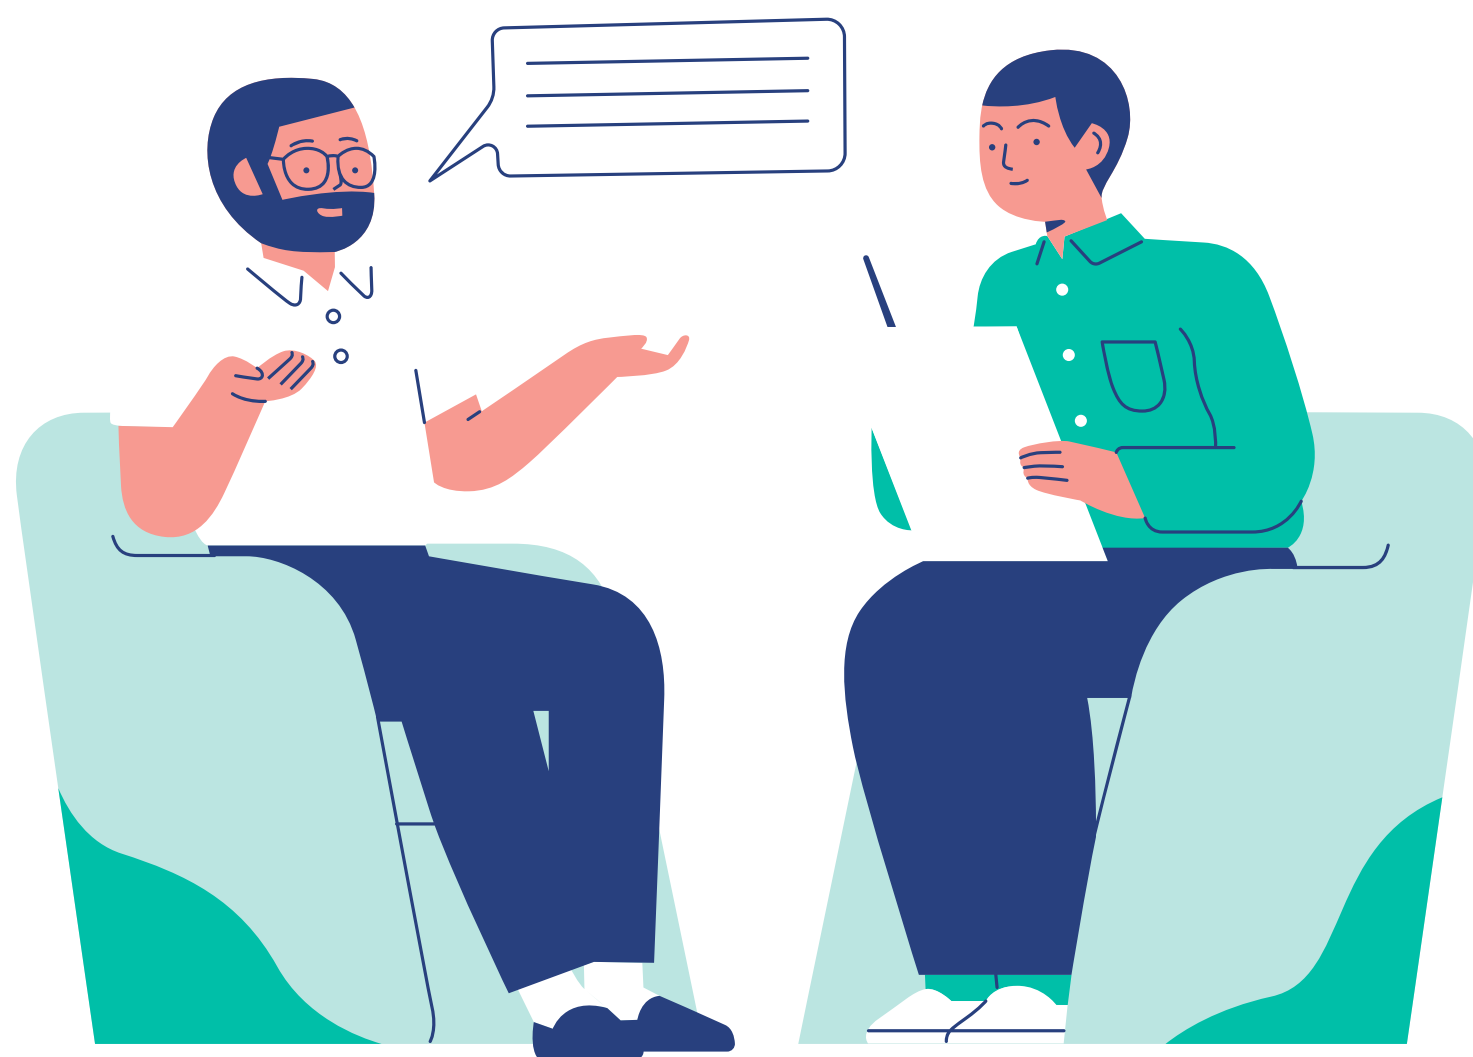

- Fill in the required fields.
- Submit.

HOW DO I JOIN *Nerdy Academy?*

Once your profile is completed, you will be called for a personal interview.

We host an orientation session on the day of the interview, wherein we brief every aspirant regarding our company and their association with our company.

Personal Interview:

- The interview is all about judging your academic knowledge and your personality, in order to maintain the quality of our services.
- We qualify you as a tutor once you get selected in the interview round.

HOW DO I JOIN *Nerdy Academy?*

Documentation involves :

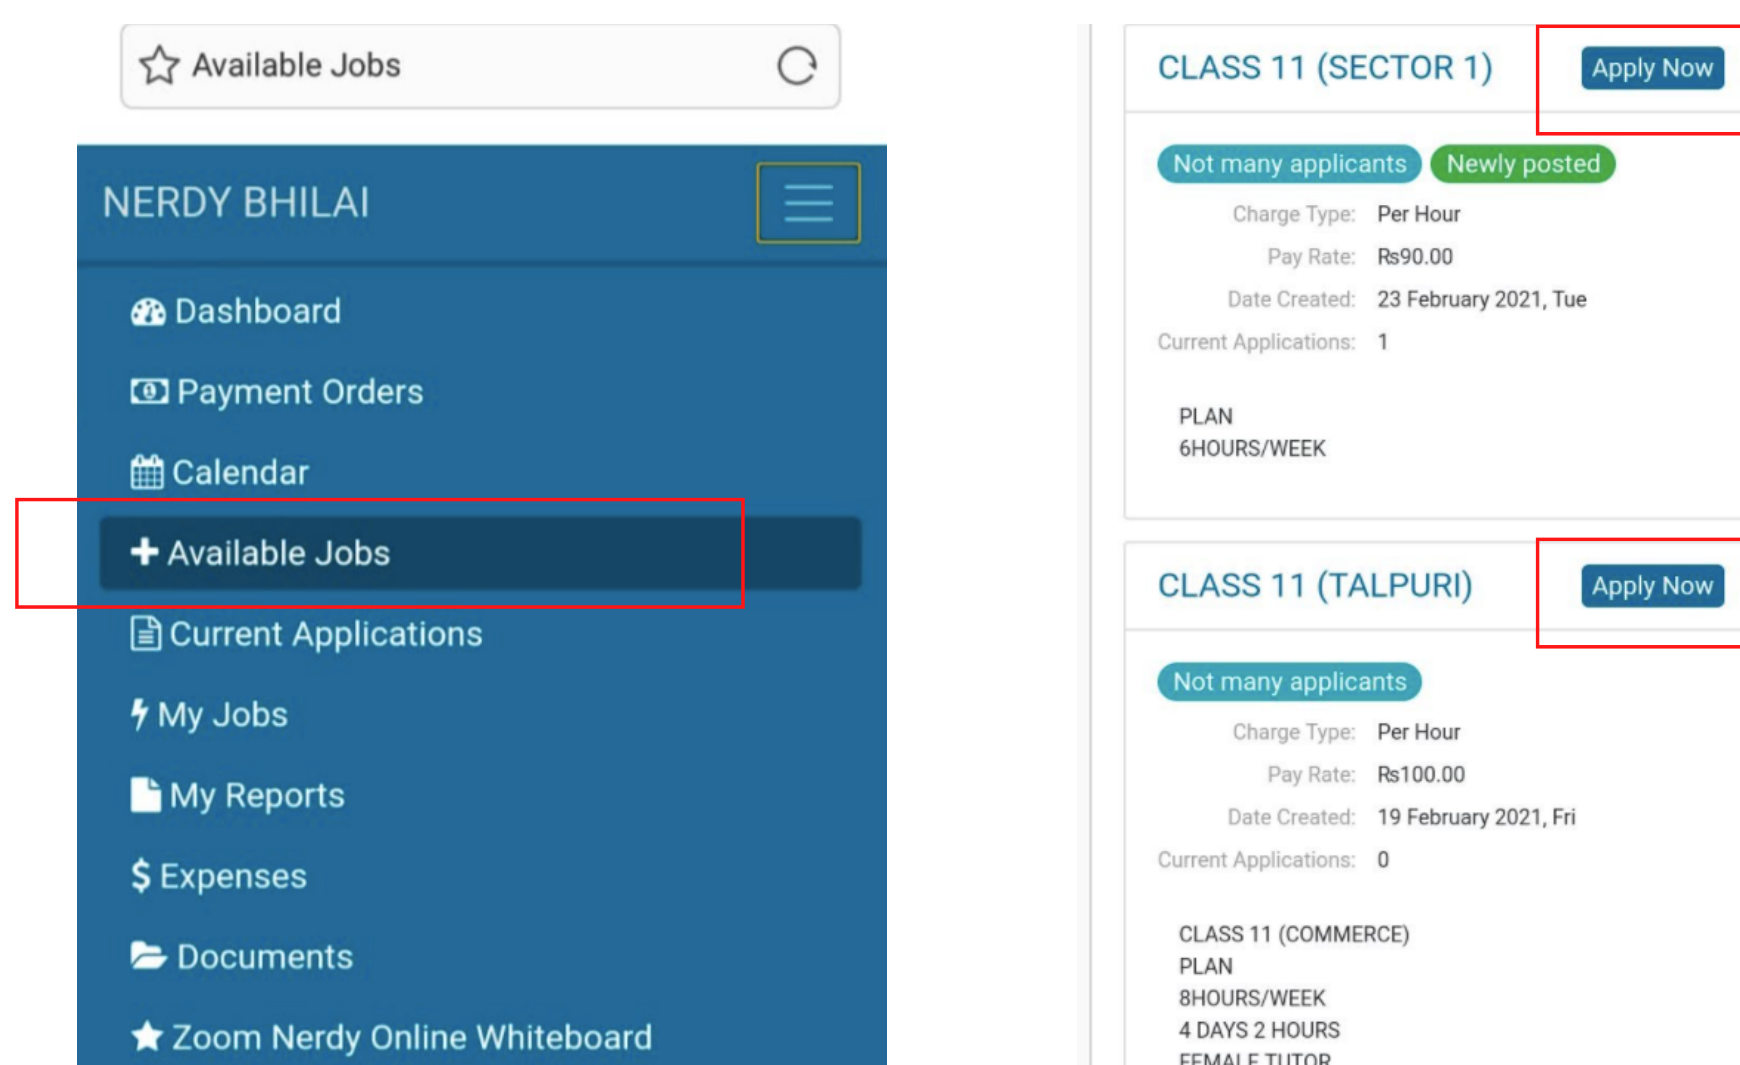

- Every Tutor receives an Educator Agreement on their mail. Once they agree with our terms and conditions, they legitimately become an educator at Nerdy.
- We upload the Appointment Letter in their created profile, which confirms their selection.
- We send them a Tutor Kit for better assistance.
- Tutors pay a Registration Fee of Rs. 200 which can be paid in cash or online.

The documentation is done. A tutor now can apply for the jobs.

HOW DO I FIND STUDENTS *near me to teach?*

- All you have to do is log in to your created profile and check the menu bar on the top right corner (if you are logging in via smartphone) and click on the Available jobs to check the availability.

- If you find any jobs available that you are eligible for, you can select the option of Apply now.
- Your application for new jobs will be reflected in the system.
- Further arrangement of Demonstration Session for the student will be organized by the administrative staff of Nerdy.

HIGHLIGHTS

about us

- Every tutor is assisted by an Administrative manager till the time they begin their teaching sessions at a student's place.
- Tutors have flexible working hours.
- We do not micromanage our tutors a lot.

We have a work culture which is nurturing enough. Our team is young and robust. We ensure that every employee of ours is able to grow and build the best out of themselves while they contribute in this revolutionary journey.

Happy Teaching!
